Gemeinsamer Tarif H 2013, Fassung vom 03.04.2012 3 D. Repertoires und Verwendung von Musik bzw. Ton-/Tonbildträgern a) Urheberrechte an Musik 8 Der Tarif bezieht sich auf die Aufführung von urheberrechtlich geschützten nichttheatralischen Musikwerken des Repertoires der SUISA (nachstehend «Musik», wo nichts anderes vermerkt ist). 9 Für Aufführungen gemäss diesem Tarif kann der Kunde Musik auf eigene Tonträger aufnehmen. Diese Tonträger dürfen nur an den Veranstaltungen des Kunden verwendet und Dritten nicht überlassen werden. b) Verwandte Schutzrechte 10 Der Tarif bezieht sich auf Vergütungsansprüche der ausübenden Künstler und der Hersteller von im Handel erhältlichen Ton- und Tonbildträgern des Repertoires der SWISSPERFORM. c) Vorbehalte 11 SUISA verfügt nur über Urheberrechte an Musik. Die Rechte anderer Urheber bleiben vorbehalten. 12 SWISSPERFORM verfügt nicht über - die ausschliesslichen Vervielfältigungsrechte der ausübenden Künstler sowie der Hersteller von Ton- und Tonbildträgern - die Aufführungsrechte der Künstler und Hersteller von nicht im Handel erhältlichen Ton- und Tonbildträgern.

E. Gemeinsamer Tarif 13 SUISA ist für diesen Tarif gemeinsame Zahlstelle und Vertreterin auch von SWISSPERFORM. Wird bei einer Veranstaltung ausschliesslich das Repertoire von SWISSPERFORM genutzt, nicht jedoch dasjenige der SUISA, so kann

SWISSPERFORM die ihr zu- stehende Vergütung selber geltend machen.

F. Vergütung a) Berechnung 14 Aufführungen mit Musik ab Ton- und Tonbildträger Bei der Berechnung der Vergütung wird auf die Summe aus der Höhe des Eintritts- preises und des Preises für das billigste (gebräuchliche) alkoholische Getränk sowie auf die Anzahl an einem Tag anwesende Personen abgestellt. 7/37

Gemeinsamer Tarif H 2013, Fassung vom 03.04.2012 4 Werden keine alkoholischen Getränke ausgeschenkt, so gilt der Preis für das billigste nichtalkoholische Getränk. Die entsprechenden Vergütungen pro Tag sind in den Tabellen im Anhang festgehal- ten. Die Vergütungen sind jeweils pro Anlass zu verstehen. 15 Aufführungen mit Musikern Die Vergütung wird berechnet wie für Aufführungen ab Ton- und Tonbildträgern. Die entsprechenden Vergütungen pro Tag sind in den Tabellen im Anhang festgehal- ten. Die Vergütungen sind jeweils pro Anlass zu verstehen. Die Ansätze für verwand- te Schutzrechte (VSR, SWISSPERFORM) bleiben bei der Berechnung unberücksichtigt. 16 Mindestvergütung Die Vergütung beträgt pro Erlaubnis mindestens CHF 30.00 für Urheberrechte und CHF 10.00 für verwandte Schutzrechte. b) Steuern 17 Bei den in diesem Tarif genannten Vergütungen ist eine allfällige Mehrwertsteuer nicht inbegriffen. c) Ermässigungen 18 Kunden, die für alle ihre Veranstaltungen gemäss diesem Tarif mit der SUISA einen Vertrag schliessen und die vertraglichen Bestimmungen einhalten, erhalten eine Er- mässigung von 5 %. Sie erhalten eine zusätzliche Ermässigung je nach Anzahl der jährlich an den durch- geführten Anlässen anwesenden Personen. Diese Ermässigung beträgt 0.0008 % pro Person. Sie ist nach oben begrenzt. Die Obergrenze dieser Ermässigung ist in den Tabellen im Anhang festgelegt. 19 Kunden, die Mitglied eines schweizerischen Gastgewerbeverbandes sind, welcher die SUISA in ihren Aufgaben unterstützt, und die mit der SUISA für alle ihre Veran- staltungen einen Vertrag schliessen und dessen Bestimmungen einhalten, haben An- spruch auf eine zusätzliche Ermässigung von 10 %. Die Unterstützung des Verbandes muss umfassen: - die regelmässige, mindestens jährliche Aufforderung der Mitglieder, ihre Veran- staltungen mit Musik fristgerecht der SUISA zu melden - die regelmässige, mindestens jährliche Kommunikation der Anliegen der SUISA gegenüber den Verbandsmitgliedern - auf Verlangen den Versuch der Vermittlung im Falle von Streitigkeiten zwischen einem Mitglied und der SUISA.

8/37

Gemeinsamer Tarif H 2013, Fassung vom 03.04.2012 5 20 Gemäss der Vereinbarung mit den Nutzerverbänden erhalten alle Kunden für Nut- zungen während des Jahres 2013 eine zusätzliche Ermässigung von 1.5 %, um wäh- rend der Verhandlungen über einen neuen Tarif einen möglichen Anstieg der Tarifferechnungsbasis aufgrund der Teuerung abzufedern.

d) Zuschlag im Falle von Rechtsverletzungen 21 Die Vergütung wird verdoppelt - wenn Musik ohne Erlaubnis der SUISA verwendet wird - wenn der Kunde keine, unrichtige oder lückenhafte Angaben liefert, um sich einen unrechtmässigen Vorteil zu verschaffen.

G. Abrechnung 22 Vorbehalten bleibt eine darüber hinausgehende Schadenersatzforderung. 23 Der Kunde gibt der SUISA alle zur Berechnung der Vergütung erforderlichen Anga- ben innert 10 Tagen nach der Veranstaltung oder zu den in der Bewilligung genann- ten Terminen bekannt. 24 Die SUISA kann zur Prüfung Belege oder nach Voranmeldung und während der Ar- beitszeit Einsicht in die Bücher des Kunden verlangen. 25 Wenn die Angaben oder Belege auch nach einer schriftlichen Mahnung nicht innert Nachfrist

eingereicht werden oder die Einsichtnahme in die Bücher verweigert wird, kann die SUISA die Angaben schätzen und gestützt darauf Rechnung stellen.

H. Zahlungen 26 Die Vergütungen sind zu den in der Bewilligung genannten Terminen zu bezahlen. Andere Rechnungen sind innert 30 Tagen zahlbar. 27 Die SUISA kann Akontozahlungen verlangen. Ferner kann sie von Kunden, die ihren Zahlungsverpflichtungen nicht fristgerecht nachkommen, Sicherheiten verlangen.

I. Verzeichnisse der verwendeten Musik und der verwendeten Ton- und Tonbildträger 28 Die Kunden lassen durch die Musiker oder Disc-Jockeys Verzeichnisse der verwendeten Musik führen: - wenn sie Musiker oder Disc-Jockeys in der Regel für länger als für 3 Veranstaltungen engagieren - für alle Aufführungen von Musikern mit internationalem Ruf. 9/37

Gemeinsamer Tarif H 2013, Fassung vom 03.04.2012 6 29 Die Kunden übergeben der SUISA diese Verzeichnisse innert 30 Tagen nach der Veranstaltung (oder zu den in der Bewilligung genannten Terminen). Die Verzeichnisse der verwendeten Musik enthalten Angaben über - Titel - Komponisten - bei der Verwendung von Tonträgern zusätzlich: - Name des Interpreten - Label und Katalog-Nummer - bei der Verwendung von Tonbildträgern: - Originaltitel - Name und Adresse des Produzenten oder Eigentümers - Label und Katalog-Nummer

Die SUISA stellt entsprechende Verzeichnis-Formulare unentgeltlich zur Verfügung. 30 Die SUISA verzichtet auf diese Verzeichnisse - für Orchester, die einen entsprechenden Ausweis der SUISA besitzen - für Blasmusiken, Chöre, Instrumentalvereinigungen und Jodlerklubs - gemäss allfälligen weiteren Bestimmungen der Erlaubnis.

31 Sie verzichtet ferner auf diese Verzeichnisse, wenn Orchester oder Disc-Jockeys auftreten, welche der SUISA ihr Repertoire direkt melden. 32 Werden die Verzeichnisse auch nach einer schriftlichen Mahnung nicht innert Nachfrist eingereicht, kann die SUISA eine zusätzliche Vergütung von CHF 40.00 pro Anlass verlangen. Sie wird im Wiederholungsfall verdoppelt.

J. Gültigkeitsdauer 33 Dieser Tarif ist vom 1. Januar 2013 bis 31. Dezember 2013 gültig. 34 Bei wesentlicher Änderung der Verhältnisse kann er vorzeitig revidiert werden.

K. Beilagen 35 Vergütungstabellen betreffend Musikaufführungen zu Tanz und Unterhaltung im Gastgewerbe, gültig für Anlässe vom 01.01.2013 bis 31.12.2013. 10/37
